## Island idyll

## HELLO KENSHŌ!

Combine the traditional white-and-blue color scheme of the Greek islands with the clean lines of Scandinavian design and you get **Kenshō Boutique Hotel & Suites**, newly opened at Ornos Bay, Mykonos. Designed by Greek architect Alexandros Kolovos, Kenshō features cool white rooms with handcrafted walls and crisp white sofas, and bedding and furniture by the likes of Kenneth Cobonpue and Patricia Urquiola. Each of the hotel's 25 rooms and 10 suites also has its own terrace with plunge pool or outdoor Jacuzzi. The Bar & Sunset Lounge offers tailor-made cocktails and unrivaled views over the bay, while the Kenshō Spa will help soothe away the strain of having to choose which outfit to wear to watch the sunset – the most stressful thing you'll have to do during your stay.
