## **6 Kensho Boutique Hotel & Suites Mykonos**

The latest addition to Mykonos's hip hotel scene, Kensho, opens on June 10. With sweeping vistas over Ornos Bay, it has 25 rooms and ten suites with typically Cycladic architecture, including whitewashed stone walls and beamed ceilings. Many have private plunge pools or hot tubs, and a luxury spa with a hammam is planned, as well as high-end dining. The town of Mykonos is 2km away and the island's party beaches — Paradise, Super Paradise and Paraga — are a short boat ride away.

**Details** B&B doubles start from £222 per night (00 30 2289 029 001, [kenshomykonos.com](http://kenshomykonos.com)). Fly into Mykonos
