

The Hottest New Hotel arrives on MYKONOS

This month (July), sees Kenshō Psarou, the coolest new hotel on Mykonos' most famous Psarou beach, will open its doors to guests looking for a dreamy hideaway!

Think, 5* luxury on a beachfront location, in Greece's number one Cosmopolitan paradise.

Enjoy the finer things in life? With 30 luxe inspired rooms and suites, each individually furnished with earthy, chic designs; the hotel is set to be THE boutique hideaway of the year. Think, stone interiors, shades of grey, hanging cabanas and an Aegean style modern-meets-minimalistic feel in each individually designed room/suite. Many suites have 2 floors, rather like personal villas!

The best part? Each suite comes with its very own private Jacuzzi and/or plunge pool, offering amazing sea views. Opt for the Panoramic Sea View Suite with rooftop hot tub, for the ultimate picture-perfect view of Psarou beach, the yachts and helipad!

Foodie fanatic? The Kenshō Psarou Lounge is sure to satisfy all cravings, serving the finest Mediterranean dishes around, each plate served as a work of art and enjoyed on the waters edge. Elegant cocktails and scented Shisha are also at your beck and call.

Looking for ultimate relaxation? Walk a few steps to the Kenshō Beach Spa, the FIRST spa to be launched on Psarou beach. Discover 3 decadent menus covering everything from massages and wraps, to quick 10-minute remedies to get you ready for the evening. There's even a Spa menu that caters to yacht owners visiting the beach by sea (yes, really!) Hollywood-inspired LED masks, oxygen-infused treatments and cutting-edge quartz sand technology are a few highlights on offer.

General Manager Costas Papachristophorou says: "Kenshō Psarou is inspired by our sister property at Ornos, but this really is one of a kind. Psarou Beach is one of the world's best-loved locations and the most famous spot on Mykonos Island, so it was the perfect place for the next chapter in Kenshō's story. Our philosophy in providing guests with a rejuvenating, "awakening" experience will continue to grow - beachside!"
